So you have as well. I think our approach as we discussed is still to be able to answer a very tough question on this.

Lisa,  
Just received this memo. Apparently none of the four have used fund monies.

Steve,

Attached is the memo we showed you identifying the homes who could access the escrow funds.

It appears that the one homeowner who has accepted the escrow Ex. 6 - Personal Privacy, is NOT in fact one of the four homes for which R3 is considering water. (See attached at page 2.)

Thanks,

-Andrew
